Subject: Letter of Thanks and Appreciation

Beloved son Kerollos ,

The peace of our Lord Jesus Christ is with us all Amen.

I would like to congratulate you and your family on the New Year 2025 and the Glorious Feast of Nativity wishing you and your family a blessed Year full of success and happiness.

The purpose of this letter is to express my deepest thanks and sincere appreciation for all that you have done to my weak self and to the Coptic Orthodox Community, I will not forget all your love, support, faithfulness and loyalty especially the hard work in the Website and your generosity in offering to pay my Ticket to Cairo. I greatly appreciate your willingness to be by my side, always being quick in helping me at any time whenever needed. You showed many true Christian qualities not only to me but also to many others.

I would like to thank you for your loyalty and dedication. We are sure that the Lord with the intersection of St Mary the mother of God & all the Saints will reward you and your family hundredfold. ***"Give, and it will be given to you. Good measure, pressed down, shaken together, running over, will be put into your lap. For with the measure you use it will be measured back to you."*** Luke 6:38

Thank you! If I am proud of you for your love, care, support, faithfulness, loyalty, today my pride in you is enhanced and is being put far up to the highest limit, not only because of your support, but because I feel that I am in front of a real and faithful steward of the Lord Jesus Christ.

I pray to God the Almighty to bless you, your family with the heavenly blessings and to protect you, your family from any harm, affliction, and hardships.

I pray and hope that our gracious Lord bestow upon you abundant grace and heavenly blessings and great success. In the Bible we read; ***"The Lord was with Joseph, he was a successful man."*** God's grace has certainly filled your heart and your life.

May the Lord protect and guard you with His Almighty care.
